PRESS RELEASE

For Release: April 11, 2010

The Honolulu Quarterback Club, celebrating 64 Years, is pleased to announce the following Guest Speakers for their luncheon, Monday, April 12th, at the Maple Garden Restaurant. The Maple Garden is located at 909 Isenberg (near the corner of King and Isenberg directly across from the Old Stadium Park) and there is free parking next to the Restaurant or street parking is available. The entrance to the meeting room is located at the rear of the Maple Garden building through the parking lot. Lunch is at 11:30 am and the program begins at 12 noon:

George Lumpkin - Director of Player Personnel/Defensive Assistant - University of Hawai'i - Coach George begins his 33rd year on the coaching staff and ranks as one of the senior members in UH Sport's Programs. In total, he has been affiliated with UH sports for a total of 36 years, including 2 years as a player and 2 as a graduate assistant. Spring football practice began on March 31st. and the "Warriors" have 15 returnees so there are several positions that need to be filled. Highlights so far seen to center around the major changes in coaching positions plus several players seem to be showing exceptional ability at their positions. Will the move of Joey Iosefa, from linebacker to running back work? Why was the move made? Will John Lister be the power back that the "Warriors" need? Both Joey Iosefa and John Lister were recruited from American Samoa and grey shirted last season. How well will Kamalu Umu who is from Kapa'a, play at defensive left end? He is a transfer from Charleston Southern in 2008. Will Alex Green and Chizzy Dimude be the primary running backs? Is Bright as Bright as they say? This 6'5" wide receiver from City College of San Francisco is slated to be the target that "Warrior" Quarterbacks need to score touchdowns. You can find all the answers on Monday when Coach George will be making an appearance at the HQC luncheon. He and the team just returned from a scrimmage on Kaua'i and Coach will give us his impression of the fans who live on the Island of Kaua'i. He will take for questions from the floor.

Frank Doyle - Soccer Volunteer's Volunteer - In January, Frank was inducted into the United States Adult Soccer Association's Region IV Hall of Fame. He has been

part of soccer in Hawai'i for the last 36 years from youth to adult to professional. Frank was the person who had the vision of the Waipio Peninsula Soccer Complex with 28 fields and a lighted stadium which is claimed as one of the finest in the nation. He convinced Honolulu and the U.S. Navy officials to give to the community a raw rocky piece of land next to Pearl Harbor for local development. There have been 2 of the most successful USASA Veterans Cups Tournaments played at the site directly due to Frank's volunteer effects. Frank was the founder, coach and general manager of the Hawai'i Tsunami Professional USISL Team. Also, he was a founder of the Co-Ed Soccer League, Hawai'i Collegiate League, the Hawai'i International Cup and an indoor soccer league. Frank was the HPU Men's Soccer coach for 12 years and Kapiolani Community College Coach for 3 years. He also coached in men's and women's amateur ranks as well as the University of Hawai'i Women's Club Team. Frank has been the president of the Hawai'i Youth Soccer Assn. and the Bulls Soccer Club USYSA and Soccer Hawai'i.com. He will be available for questions from Quarterback luncheon attendees.
