The Honolulu Quarterback Club, celebrating 70 years, is pleased to announce the following Guest Speaker for their luncheon, Monday, June 20th at the Maple Garden Restaurant, 909 Isenberg St., Honolulu, HI 96826:

+ Jamilee Kempton – Competitive Tree Climber – Arborist - Student

Jamilee Kempton – Competitive Tree Climber – Arborist – Student – Jamilee participated in her fourth Women's International Tree Climbing Championship last April and took first place in the preliminary round and ended up in third place overall in the finals. The competition is focused on climbers from all over the world in a series of events that evaluates them on safety, style and speed. She currently holds the world record in the women's 50m Footlock Event of 20.17 seconds that requires climbers to climb up a 50-foot rope. Jamilee is an ISA Certified Arborist and completed a Subtropical Tree Care Program at Windward Community College. After completing her program, that requires a process of 3 years of tree work experience and an exam, Jamilee went to work for the Lyon Arboretum caring for trees and designed an invasive tree-removal program. Currently she is attending the University of Hawai'i and seeking a degree in business while starting her own tree-care company working as an independent contract climber.
